

Cadets,

Please review the policy below. We are all surrounded by electronic devices and the easy access they give us to information, friends and general communication. However, in modern agencies and worksites, the use of these devices signals inattention to priorities, lack of focus and disrespect of our primary purpose.

Please heed this policy, embrace it with pride and work with each other to ensure we are better than most!

Mr. Hughes

Head of School

Electronic Devices Policy

Cadets are prohibited from using or displaying audio listening devices (MP3 players, handheld electronic games, digital cameras, or other such devices during school hours (from the time they enter the building for the school day until the last bell rings) unless they have permission from a staff member to do so as part of a classroom activity.

Students may possess cell phones, but use or display during school hours (from the time they enter the building for the school day until the final bell rings) is strictly prohibited. Use includes any cell phone function or feature. Cell phones must be turned off upon entry to the school building and may not be turned on again until the end of the school day. Cell phones must be kept out of sight.

Volunteer fire, ambulance, or rescue squad personnel who serve an essential role in the emergency or rescue squad may apply to the Head of School for an exemption.

Violators will be referred to the administration for disciplinary action. Repeated violations will lead to school detention, loss of privilege and suspension.

Students assume all responsibility for loss, theft, damage or misuse of any electronic device.
